Exclusion	N/A
Audit type	N/A

Above mentioned IFS standard(s) combined with	N/A

Audit execution

Audit execution	Full on-site assessment

Remarks:
In case of a combined Audit, the Audit execution type shall be the same for all standards: e.g. it is not possible to combine an IFS Logistics 'full on-site" Audit with an IFS Broker 'full remote' Audit; it is not possible to combine an IFS Food 'split Audit' with a BRCGS Food 'blended audit' due to different procedures; it is not possible to combine an unannounced Audit with an announced Audit; etc.

Audit duration

Audit duration	2,250 MD	This covers all standards in case of combined Audit
Audit preparation	0,250 MD	This covers all standards in case of combined Audit
Audit reporting	0,750 MD	This covers all standards in case of combined Audit

Remarks:
-In case of 'Full on-site Audit' the Audit duration shall be fully spent on site; in case of 'Split Audit' minimum 50% of the Audit duration shall be spent on site and the remaining 50% shall be allocated to the 'Remote part'; in case of 'Full remote Audit' the total audit duration will be spent remotely.

-One (1) manday (MD) equals eight (8) hours, excluding breaks. Any Audit day longer than eight (8) hours shall be technically justified. The maximum Audit duration shall never exceed ten (10) hours per day.

Important notifications

Once you have signed this document, it forms the 'Appendix to Certification Contract (GP5905)' and it is part of the contract between SGS-ICS GmbH and your Company and allows us to start the IFS Audit process.

If any of your details change, you must tell us in writing as this may have an impact on this proposal and continued certification.

The Company agrees that the proposal generated is based on the information provided and that these will be verified during the audit and also accepts that where any changes effect the Scope, Exclusions or audit duration, the additional costs will be covered by the Company.

This document is an integral part of the 'Certification Contract (GP5905)'. All rules, terms and conditions described in the 'Certification Contract (GP5905)'
