The Carrier undertakes:

1. To provide the auto truck in a technically sound state conforming to the above specified type. In the event of provision of the auto truck not meeting the requirements as set forth in the Contract, a penalty at the rate of Eur 100 is imposed. The driver must have a sufficient amount of money for the trip and no less than for 8 slings for the cargo securing.
2. The Carrier shall be responsible for the cargo safety during transportation in accordance with the CMR Convention. The Carrier must have the CMR insurance, TIR carnet lodge, CMR waybills, license and all documents related to the cargo carriage. The Carrier shall cover the expenses incurred due to the failure to provide the necessary documents. If the Carrier provides the falsified data about the available CMR insurance (the invalid, expired or similar insurance), he shall be liable for any and all damages caused to the Customer and no exceptions provided for in the CMR Convention shall be applied in this case.
3. The Carrier must be able to constantly communicate with the driver.
4. In the event the cargo is delayed on way due to the fault of the Carrier, the latter shall pay the penalty at the rate of 100eur for each day of demurrage.
5. In the event of failure to provide the vehicle for loading, provision of the vehicle in not technically sound state or non-observance of the specified instructions, a penalty at the rate of 20% of the cost of carriage plus all expenses related to it shall be imposed.
6. The Carrier has to observe neutrality towards the cargo Sender and Receiver.
7. The Carrier has to take part in the cargo loading, carry out necessary calculations and ensure that the cargo is properly and securely loaded; having observed noticed any shortcomings, he has to record them in the cargo sender's CMR copy; in the event of failure to do it, the Carrier shall be liable for any cargo damage occurred during transportation. In future, no claims to the inappropriate packing can be advanced.
8. The Carrier confirms that the value of cargo is known and clear to him. On signature of the present Contract, the Carrier forfeits the right to challenge the value of cargo.
9. The Carrier is informed that the value of cargo exceeds the norms provided for by SDR according to Article 23 of the CMR (See according to the specified cargo value). The additional redundancy pay for carriage that changes the limit exceeding the value of cargo as prescribed by Article 23 of the CMR Convention is included in the freight lump sum (it amounts to 20 percent of the freight value).
10. It is prohibited to reload the cargo. In failure to comply with this item, the Carrier shall be liable for any and all damages caused to the Customer and no exceptions provided for in the CMR Convention shall be applied in this case. This item is not applied for carriage of the part cargoes.
11. When carrying the Customer's cargo, the Carrier undertakes to stop only at the security parking areas. A security parking area is a lighted area under the surveillance of security video cameras, guarded by a guard, the territory of which is fenced from all sides; nobody can freely drive in or leave this territory.

The Customer undertakes:

1. Time of loading/unloading: 24 hours (CIS countries – 48 hours). The Customer shall pay for the demurrage the amount of Eur 300 for each day; Saturdays, Sundays and Public Holidays are not considered to be demurrage. The demurrages are paid after provision of the demurrage list.
2. In the event of failure to load the ordered vehicle due to the fault of the Customer, the Customer shall pay the penalty at the rate of 10% of the freight sum.

3. The Customer shall be liable for the incorrect execution of shipping documents.
4. The Customer has the right to cancel the loading no less than 24 hours prior to loading.
Additional conditions:
No additions or corrections have legal force when made by hand, except for the entry of the vehicle registration numbers and driver's name and surname.
Responsibilities if the Parties:
1. The Parties must comply with the requirements of the Convention on the Contract for the International Carriage of Goods by Road (the CMR Convention) signed in Geneva on 19 May 1956. The Parties shall be liable for the non-fulfilment or inappropriate fulfilment of obligations under the present Contract in accordance with the order established by legal acts of the Republic of Lithuania.
2. The Parties shall try to settle all disputes and differences which may arise from the present Contract by means of negotiations between the Parties
3. In case of failure to settle the disputes and differences by means of negotiations between the Parties, they are to be submitted for settlement to the Court of the District where the legal address of the Customer is registered. The present Contract signed by fax has the same legal force as the original. Please confirm the Contract and send it together with the CMR insurance copy.
